The Student Government Association has three main branches which are the Executive, Legislative, and Judicial sections. The Executive branch consists of the President, Vice-President, Controller, Controller's Assistant, Public Relations Director, Attorney General, Public Defender, and Executive Secretary. These are all paid positions. The Legislative branch consists of the Student Senate. These positions are voted on by the students. The Student Senate has to approve everything that SGA does. The Judiciary branch can be broken down in three main groups — Traffic Court, Superior Court, and Supreme Court. These positions are appointed by the President. The Traffic Court deals with parking violations. The Superior Court deals with students rights that are violated by other students. Some examples of these are stealing or cheating on tests. The Supreme Court hears cases of appeals from the Superior Court. It is possible to go over the Superior Court to the Supreme Court.

To join SGA, a person must have a 2.0 or above QPR. One should go to the SGA office located on the second floor of the U.C. and talk to the President or Vice-President.

Have you ever been at the library, thoroughly engrossed in your studying, when suddenly you realize it's dark outside and you have to walk alone to your dorm? You panic and picture yourself walking alone and hearing footsteps behind you. Now you can be escorted anywhere on campus without having to worry about any footsteps you might hear. Stray Cat Security has been escorting people on the WCU campus for several years. Although recognition and membership has been limited in the past, Stray Cat Security now plays an active part in the campus community. Members volunteer their time to insure their fellow students safety while walking on campus at night. The members of Stray Cat Security have volunteered their time within the community as well as on campus. Several members helped out during the Special Olympics, others donated blood, and several collected 2000 soft drink tabs to help a girl who needed a kidney dialysis treatment. So before you hear those footsteps behind you, give Stray Cat Security a call.

The Organization of Ebony Students was founded in 1968 under the name of Black Students United for Liberation. In the late seventies, the name was changed to the Organization of Ebony Students.

O.E.S. was formed to uphold dignity, self-respect and cultural awareness of Black Americans through the promotion of social, civil and educational endeavors.

During the fall of the 1985-86 school year, O.E.S. sponsored "Black Parents Weekend." This weekend included a variety of activities, such as showing of Black oriented films, a talent show and a fashion show. Another of their fall activities was a dance held in the U.C. to cap off the end of the year.

Some of the spring activities included participating in two celebrations of Martin Luther King's birthday. They conducted an educational seminar in grades, planned a celebration during Black History month, and acknowledged Black Awareness Week — April 7-13. This week was topped off by the Miss O.E.S. pageant and ball.

To join the organization the cost is \$2.00 a semester and meetings are held every second and fourth Thursday of the month.

French Club

Seated L to R — Wade Culler, Mikell Clark, Steve Morrison. Standing L to R — Stanton Proctor, Angela May, Betty Smith, Dr. Lewis Sutton (Advisor), Gayle Celestin, David Doucet, Mike Rowe.

When the French Club gets together, they watch French films, listen to popular French music and have a French champagne party. The club watches slide shows and invites guest speakers to talk about their travels in France. They also go to Dr. Sutton's home to watch French and Canadian television on satellite. At the end of each semester, a French dinner is held where each member brings a covered dish — French, of course. Bake sales are held several times each semester to raise money. The French Club is SGA funded. Anyone interested can join and participate whether they are a French major or not.

Marching

Catamounts

The WCU Marching Catamounts entertain and motivate the Catamount crowd during the halftime activities of WCU's home football games. The band tries to stay with the times by playing such tunes as Lionel Richie's hit song, "All Night Long"; yet, at the same time they revive past songs such as "Putting on the

Ritz". Just as the music is important, so are the people who make up the band. The team effort includes the members, the Flag Corps, the baton twirler and the band leader. Everyone plays a part in this musical celebration.

The National Association of Accountants was awarded a scholarship for the 1985-1986 academic year. NAA is involved in several activities. Once a month the group attends NAA regional meetings in Asheville. To raise money, the NAA held a bake sale. For general interest, two members of the Internal Auditors spoke to the NAA. In the future, the group will hold a chili lunch to raise money, take a tour of Switzer in Asheville and help the NAA (Asheville Chapter) with their Monte Carlo Night.

Canterbury

St. David's Canterbury Association is the Episcopal college student fellowship in Cullowhee. The group is active in all functions of the church and also participates in student retreats, such as the National Student Gathering in Estes Park, Colorado. Canterbury members also share in Bible study, weekly breakfasts during Lent, an annual "spring fling" (to Atlanta, the beach, or elsewhere), hiking trips, and other activities. Their weekly meetings are on Sunday evenings, when they share Eucharist and a home-cooked meal.

Anthropology Club

The Anthropology Club has meetings once a month and social gatherings several times each semester. During the fall semester, the club took a trip to Washington, D.C. for the American Anthropological Association meeting. A major task of the club this year is gathering books to send to schools in the Philippines. The shipment is planned in the Spring of 1986. The spring activities included a book and bake sale, a presentation on the Philippines by Jim and Cindi McIntosh, and a trip to Russell Cave in Alabama.

L TO R First row — Dr. Anne Rogers, Dr. Patrick Morris (Advisors). Second row — Fae Powell, Joan Albright, Tim Barton. Third row — Dave Dyson, Jeff Battle, Cindi McIntosh.

The Geology Club is involved in several activities, some of which include the Nuclear Waste Forum and the Mountain Heritage Day celebration. They are also involved with the Western Carolina University Mineral Museum and have done impact studies and a research project on the E. J. Whitmire Farm. The club is planning a field trip to the outer Banks in the spring.

WWCU-91FM is one of the few stations in the U.S. that is totally managed by students. The station does a great deal of community work through such projects as live remotes for the Red Cross blood drives and the Leukemia Radiothon. WWCU is the only college station in the U.S. that sponsors a Leukemia Radiothon and of all the stations that do sponsor one, WWCU is one of the most successful. The station is totally aimed at the students. This year many program changes took place in an effort to meet the tastes of the students. Also, the station supports the sports programs and intramurals through tailgate shows and daily reports. Each week 91 Expressions airs on Wednesday nights to voice community concerns that are of interest to the students and the people of the area. All students who are interested in knowing more about WWCU are invited to attend the meetings each Tuesday night at 6 p.m. A student need not be a radio and television major to become involved in the station.

Western

The Western Carolinian is the school newspaper which is compiled and published by a thirty-man student staff. The newspaper is funded by WCU student activities fees. The paper is completed here and then it is taken to Waynesville for printing. Usually, the paper comes out on Thursdays and is distributed to various locations on campus. This publication is free to WCU students and subscriptions are available to people outside of this area.

Delta Zeta, Theta Iota Chapter. Delta Zeta, the largest national sorority, was founded Oct. 24, 1902 at Miami University in Oxford, Ohio. Delta Zeta works towards friendship and the true meaning of sisterhood. Through the support of sisterhood, a better understanding of ourselves as individuals. Delta Zeta can be seen on the campus of WCU in a variety of campus activities. These include such activities as the Cat-a-thon, special Olympics, sorority Olympics, intramural athletics, bloodmobiles, apple polishing, spring fling, and Pike's Peak. The ideals and goals of Delta Zeta pertain not only to the individuals and sisters but to the community and all those who may come in contact. To love, to belong, to commit yourself to high ideals and goals. To be honored and respected. To be a Delta Zeta.

Zeta Tau Alpha, Zeta Iota Chapter. Zeta Tau Alpha was founded by nine young women in 1898 and has since grown to an international fraternity with 190 chapters and third national ranking. The Zeta's at Western are active in nearly all phases of campus life. Look around — you'll find us in the band, Student Government Association, Miss Catamount Pageant, the Homecoming Court, intramurals, women's sports, Pike's Peak, Greek Week, Lambda Chi Alpha Kidnap, ROTC program, chorus residence hall activities, VOICE as well as the many clubs and organizations on campus. We participate in several money making projects for our national philanthropy, the Association for Retarded Citizens. Our most popular fund raiser is the annual Valentine Carnation sale. We also work with the Special Olympics and the kids at the Mental Health Clinic on campus. Zeta stresses scholarship and we are always willing to help each other by having Study-Buddies, programs on study skills, and study-quiet hours on the hall. Throughout the year we anticipate such functions as a Christmas Dance, Parents' Weekend, our spring awards picnic, alumnae get-togethers, Zeta Day, hall parties, and our favorite — Crown Ball Weekend.

alpha xi delta, epellon gamma chapter. Becoming a member of Alpha Xi Delta is just the beginning of a new and exciting life. The life of an Alpha Xi is filled with friendship, love, courage, and devotion. Her life is also an active one. In the fall, you see her in the marching band, petitioning for the Jackson County Humane Society and participating in Greek Week. Then in the winter you can see her babysitting for the Newcomer Club, going to Golden Weekend, and participating in the swim meet. Of course, spring is just as lively with participation in Spring Fling and Special Olympics.

Alpha Xi's are also seen in various honor societies, little sister organizations, as well as the Woman's Recreational Association and being named the outstanding sorority for 1982-1983.

And all this is only a part of what an Alpha Xi's life is. Most importantly, it is the meaning of the golden quill and the sisterhood that will remain with her forever.

The purpose of Theta Xi is to provide a college home environment for its active members on which fellowship and alumni guidance lead to wholesome mental, moral, physical, and spiritual growth. To that end Theta Xi actively supports and augments college and community efforts to make individual members more mature and chapter groups more useful units of society. Through its alumni and undergraduate leadership Theta Xi endeavors to assist each member to develop: 1) intellectual curiosity that assures the highest scholarship rating consistent with his ability; 2) habits that lead to better mental and physical health; 3) sincerity in his association with others and confidence in himself; 4) responsibility to chapter, college, community, and country; 5) leadership that comes from practicing the principles of democratic self-government; 6) interests and activities outside regular scholastic studies that employs spare time to advantage; and 7) spiritual understanding that provides a reservoir of strength to draw upon when faced with conditions beyond comprehension.

Theta Xi was the first fraternity at Western Carolina, being chartered here on April 12, 1958. Their beautiful house, known as Riverbend, is located next to Carolina Village and sits across from the Tuckaseegee River.

lambda chi alpha, beta zeta chapter. The Lambda Chi Alpha was founded on November 2, 1909 at Boston University, and chartered locally on February 22, 1968. Internationally known as "The Fraternity of Honest Friendship," the Lambda Chis at Western Carolina are known for being the recipients of the Fraternity Scholarship Award for eleven of their sixteen years of local existence. Student Development's Outstanding Fraternity Award and numerous community services and charitable activities. Excellence in other areas such as intramurals and Greek relations are recognized in Lambda Chi. Campus highlights include Lambda Chi Alpha Fall Race and Sorority Kidnap. Social highlights include sorority celebration, Champagne Jam, and Crescent Weekend. The men of Lambda Chi Alpha are also very proud of their new contemporary fraternity house.

phi mu, gamma mu chapter. Phi Mu believes that the fraternity is a valuable extension of one's college life. Through Phi Mu's chapter development program, members have the opportunity to discover a variety of talents and interests from the time they accept membership until they graduate.

As a provisional member, individuals have the opportunity to develop a real understanding of the meanings and traditions of Phi Mu. Phi Mu was the first Greek letter organization to refer to its newest members as provisional members, thus destroying any of the connotations usually associated with the term pledge. Provisional members participate in many associated of the chapter decisions and in all social and educational programs.

After initiation, Phi Mu's are encouraged to develop valuable leadership and management skills through active participation in various chapter and campus activities. Group involvement lets the individual gain a better understanding of one's self while sharing the rewards and challenges of college life with meaningful friends.

Phi Mu is one of the oldest and largest college organizations for women. With our impressive record of progress and innovation Phi Mu will continue to add new chapters on forward moving campuses and attract members who wish to add a new dimension to their college life.

It should also be mentioned with Phi Mu is located on the 3rd floor Walker Hall and everyone is invited to come and visit at any time.

tau kappa epsilon, zeta omicron chapter. A college fraternity such as TKE, is a select group of men with similar ideals, hopes and purposes bonded together by deep friendship and mutual understanding. Tau Kappa Epsilon has a spirit of genuine democracy and chooses its members "not for wealth, rank, or honor, but for personal worth and character." Tau Kappa Epsilon, "the fraternity of life," was founded at Illinois Wesleyan University on January 10, 1899.

Sigma Kappa, Gamma Rho Chapter. To be a Sigma Kappa is to be a friend and inherit a whole new family of sisters. We grow through participation and contribution as we visit the old folks at the Webster Home, collect clothes and food for our adopted family, enjoy fun at Pike's Peak, Parents Day, the Pie Throw, Ice Cream Eat, and many others. Through these countless activities sisters and pledges alike share laughter, tears, work, and play.

Sigma Kappa Sorority, with her founding on November 8, 1874, at Colby College in Waterville, Maine, is one of the oldest Greek letter organizations. The violet as her flower and the pearl as her jewel, Sigma Kappa emphasizes high ideals, leadership, and scholarship as well as the social aspects of college life. Becoming a part of the Mystic Bond is not a four-year membership; instead it is a part of a woman that will have deep meaning through activity and love for her entire life.

FIELD RENAMED

The 1985 football season at Western Carolina University was unique ... not very good, not real bad, not even mediocre, but different, strange and unlike any of the previous 16 seasons under the leadership of Bob Waters.

It was a season that was divided into two distinct halves — a first half that saw the Catamounts nationally ranked and within inches and a couple plays of being undefeated after six games followed by a mysterious second half that produced only one victory and an unprecedented stretch of 10 quarters without a touchdown.

The season opened with a less-than-impressive win over Davidson followed by an impressive and encouraging blowout of Tennessee Tech. An exciting fourth quarter rally fell inches short in a loss to Furman, but visions of that elusive conference championship still danced through purple and gold helmets. Following a methodical win over East Tennessee State, the Cats were ranked 14th in the NCAA's I-AA poll. The first series of deterioration came in the last minute of the Marshall game when the Thundering Herd rumbled 83 yards in the last minute of the game and sent the Cats home with an empty tie. All seemed to be righted the next week in Atlanta when the Cats were intense and at times brilliant in a near upset of Georgia Tech. Suddenly and mysteriously, the wheels came off in what Waters labeled "a sorry effort" against UT-Chattanooga on Homecoming Day and continued for much of the next game at The Citadel as the offense was virtually inept. The emotions returned for the first half of the 50th meeting with Appalachian State, but faded in the second half as the Mountaineers claimed the Mountain Jug for the first time in five years. Florida State simply outmanned the Cats in a massacre at Tallahassee as the losing streak reached five and the no-win streak to six, the longest in Waters' 17 season tenure. A sorry end to an emotional day seemed assured going into the fourth quarter of the season finale when VMI led 30-14. However, the Catamounts finally took their cue from the halftime ceremony in which the playing field at E. J. Whitmire Stadium was named Bob Waters Field and put 21 points on the scoreboard in less than 11 minutes for a dramatic 35-30 win that brought smiles to a lot of faces that had been strained for several Saturdays.

Conference Champs . . .

The Lady Cats ended their season with a 27-4 record, which represents the best winning percentage in the program's thirteen year history. To top off their season, they were able to claim a second Southern Conference Women's Volleyball Championship for Western Carolina. This season proved to be especially gratifying for three of the Lady Cats and their coach, Trish Howell. The three players that were named to the All-Conference team were: Emily Holliday, for a third straight year, Crystal Sullivan, for a second year and Donna Smith. Sullivan was also honored when she was named to the All-Tournament team. Coach Howell not only had the opportunity to be proud of her team but she also had reason to feel honored, herself, when she was named the 1985 Coach of the year.

CONTINUES

CATAMOUNT

As this year comes to a close, we begin to eagerly look ahead; yet at the same time we reflect on the past. Tomorrow is the future of all our dreams while yesterday bronzed our experiences. Graduation brings these moments nearer to our grasp. Robert Browning wrote "A man's reach should exceed his grasp." This should be the motto of all graduates as they encounter responsibilities which may seem to be beyond them.

Good luck to those of you who accept the opportunities which are presented to you; may your future be successful.
